No.: PHEWSD/2025-26/07 **Dated Taliha, the 30th Sept' 2026**

NO OBJECTION CERTIFICATE FOR SAFE DRINKING WATER

This is to certify that the drinking water supply provided at **Government Higher Secondary School, Kodak**, has been examined/verified and there is no objection to its use for drinking purposes.

It is further certified that the drinking water supply arrangement is suitable for use by the **students and staff of the school**, subject to proper maintenance, hygienic conditions, and periodic testing of water quality as prescribed.

The water quality may be tested periodically to ensure that it continues to conform to the prescribed standards for safe drinking water.

The school authority shall ensure proper cleanliness and maintenance of the water supply system and take necessary measures to prevent contamination of the drinking water source.

This certificate is issued for official purposes.
